- IV. 2026 Legislative Bills
 - a. [Senate Bill \(SB\) 3016](#) - Relating to Privacy. Adds definitions of "identifier" and "specified data element" and amends the definition of "personal information" for the purposes of notifying affected persons of data and security breaches under the State's data breach notification law. Includes telecommunications carriers subject to and in compliance with certain federal provisions among the businesses deemed compliant with this law. Effective 7/1/3000. (HD1).
 - b. Discussion and appropriate action.
- V. [Annual Privacy Impact Assessment \(PIA\) Process](#)
 - a. Any government agency that maintains one or more personal information (PI) systems must submit to the IPSC an annual report on the existence and character of each PI system added or eliminated since the agency's previous annual report, pursuant to HRS §487N-7. Annual reports are due no later than September 30 of each year.

- b. Discussion on agency implementation.

VI. Secure Access Service Edge (SASE)

- a. SASE is a cloud-native technology that follows [Zero Trust](#) principles from the National Institute of Standards and Technology (NIST) and combines several security services including cloud access security broker (CASB), secure web gateway (SWG), remote browser isolation (RBI). In particular, the technology uses [Zero Trust Network Access \(ZTNA\)](#) to replace virtual private network (VPN) for remote workers, which have been repeatedly targeted by threat actors to compromise organizational networks.
- b. Discussion on approaches and considerations for SASE.

VII. Good of the Order

- a. Announcements on cybersecurity or privacy related events in Hawaii
- b. Suggestions from Council for items to discuss at the next meeting
- c. Next scheduled meeting: June 17, 2026

VIII. Adjournment

This ICT meeting will allow participants to enable live closed captioning during the meeting.

Pursuant to HRS section 92-3.7(c):

In the event the audiovisual connection to the Teams meeting is lost, the meeting may be recessed for up to thirty (30) minutes to restore communication. If communication cannot be restored within thirty minutes after an interruption to communication, the meeting may be continued to an alternative date and time, and the meeting may be terminated. In the meantime, please try to reconnect to the meeting with the same link used to initially access the meeting.

Auxiliary Aid or Accommodation Due to a Disability

If you require an auxiliary aid/service or other accommodation due to a disability, contact Lisa Huang at (808) 586-6000 or email lisa.huang@hawaii.gov as soon as possible. Requests made as early as possible have a greater likelihood of being fulfilled. Upon request, this notice is available in alternate/accessible formats.
